Technology
for a
smarter world

The polytouch® CLASSIC systems are to be reasonably priced all-in-one multi-touch systems, due to the non-modular design. They are ideally suited for applications in the areas of Hospitality, Banking / Consulting, Trade shows & Events and many more. More information is available on page 9 of this brochure. If you are interested in a complete solution (including Quick Mounting System), you find out about our POS systems.

polytouch® 22 CLASSIC
all-in-one multi-touch system

polytouch® 22 CLASSIC is a 22 inch (54 cm) all-in-one multi-touch system. The compact device with shallow depth is an ideal platform for interactive applications. It is based on superior, daylight-insensitive projected capacitive touch technology (PCT). The integrated hardware (Intel Core™ i7-3770S) provides plenty of power even for demanding applications and has advanced features like vPro remote management. A QR-code / barcode scanner is available as an option. Mounting options include pedestal, wall-mount and installation.

polytouch® 22 CLASSIC

- 21.5" (54,6 cm) all-in-one multi-touch system
- up to 20 touches (+ palm recognition)
- Full HD display (1920 x 1080), anti-glare coating
- Intel® Core™ i7-3770S Processor (Ivy Bridge)
- Intel® HD4000 graphics on chip
- 120GB Solid State Drive (SSD)
- Intel® Centrino WiFi
- Intel® 1Gb Ethernet
- OS compatibility: Windows 7 (32 / 64 Bit),
  Windows 8 (32 / 64 Bit), Ubuntu Linux
- Optional: Integrated barcode scanner

polytouch® 32 CLASSIC
all-in-one multi-touch system

polytouch® 32 Classic is a large screen, fully integrated 32 inch (82 cm) multi-touch system, based on the same technology (Intel® Core™ i7 processor, projected capacitive technology (PCT)) as all polytouch® models. A QR-code / barcode scanner and a discrete AMD FirePro graphics card (for 3D applications) are available as options.

polytouch® 32 CLASSIC

· 32" (82 cm) all-in-one multi-touch system
· up to 20 touches (+ palm recognition)
· Full HD display (1920 x 1080), anti-glare coating
· Intel® Core™ i7-3770S Processor (Ivy Bridge)
· Intel® HD4000 graphics on chip
· 120GB Solid State Drive (SSD)
· Intel® Centrino WiFi
· Intel® 1Gb Ethernet
· OS compatibility: Windows 7 (32 / 64 Bit),
   Windows 8 (32 / 64 Bit), Ubuntu Linux
· Optional: Integrated barcode scanner,
   AMD FirePro graphics
